

# Bed Bug Central's Documents Package

Bed Bug Central's documents are designed to shorten the development curve of your bed bug program. You will receive years of documentation creation with your investment. Bed Bug Central's Documents Package will form the foundation for a successful bed bug program.

## Your First 40+ Documents

Your initial package includes a variety of forms to include but not limited to agreements, client communications, service reports and treatment protocols.

## Your Company Logo and Address at No Charge

As an added cost-benefit, Bed Bug Central will personalize the forms with your company's logo, address, phone number and website.

## You can Reproduce and Alter the Documents

Bed Bug Central grants you the rights to alter and update the documents to tailor them to your company. You may reproduce the originals or your updated documents for your clients and use them in your marketing materials. We also grant you permission to use a third party printer to reproduce the forms or alter their appearance.

## Forms in English and Spanish

Most of your personalized documents are provided to you in both English and Spanish.

## Updates and Renewals

Bed Bug Central is continually updating and creating new forms and modifying our existing forms library. Your purchase and license fee provides you with the set of forms publically available at the time of agreement. This purchase is not a subscription and updates are not to be considered part of the initial purchase. Bed Bug Central, may from time to time, provide you with a complimentary update but this should not be construed nor interpreted as part of this initial purchase and license fee.

## State Law and Company Standards

Your local laws, regulations and company standards should be carefully considered before using each of the documents provided or integrating them into your bed bug services.
